

v8::internal::ReadOnlyHeap
ImageDeserializer::DeserializeImpl

```
graph LR; A["v8::internal::ReadOnlyHeap  
ImageDeserializer::DeserializeImpl"] --> B["v8::internal::ReadOnlyHeap  
ImageDeserializer::Deserialize  
ReadOnlyRootsTable"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'v8::internal::ReadOnlyHeap' and 'ImageDeserializer::DeserializeImpl'. The right box is gray with a black border and contains the text 'v8::internal::ReadOnlyHeap', 'ImageDeserializer::Deserialize', and 'ReadOnlyRootsTable'.
