

v8::internal::maglev
::RegisterFrameState
::GetValue

```
graph LR; A["v8::internal::maglev  
::RegisterFrameState  
::GetValue"] --> B["v8::internal::DCHECK"]
```

A diagram showing a call to the function `v8::internal::maglev::RegisterFrameState::GetValue` leading to a `v8::internal::DCHECK` assertion. The function call is in a grey box on the left, and the assertion is in a white box on the right, connected by a blue arrow.

v8::internal::DCHECK
