

v8::internal::wasm  
::WasmEngine::~~WasmEngine

```
graph LR; A["v8::internal::wasm  
::WasmEngine::~~WasmEngine"] --> B["v8::internal::wasm  
::NativeModuleCache  
::empty"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a white background and a black border, containing the text 'v8::internal::wasm' and '::~WasmEngine::~~WasmEngine'. The right box has a gray background and a black border, containing the text 'v8::internal::wasm', '::NativeModuleCache', and '::empty'.
