The diagram illustrates a mapping or inheritance relationship. On the left, there are two white rectangular boxes. The top box contains the text 'v8::internal::compiler::Word32AtomicCompareExchangeLatency' and the bottom box contains 'v8::internal::compiler::Word32AtomicExchangeLatency'. On the right, there is a gray rectangular box containing the text 'v8::internal::compiler::ScLatency'. Two blue arrows point from the right side of each white box to the left side of the gray box, indicating that both source classes or variables point to the target 'ScLatency'.
