

v8::internal::AccessorPair  
::set\_setter

```
graph LR; A["v8::internal::AccessorPair  
::set_setter"] --> B["mode"]
```

The diagram consists of two rectangular boxes. The left box is gray with a black border and contains the text 'v8::internal::AccessorPair' on the top line and '::set\_setter' on the bottom line. A dark blue arrow points from the right side of this box to the left side of a second box. The second box is white with a black border and contains the text 'mode'.
