```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'v8::base::internal' on the first line and '::CheckOnFailure::HandleFailure' on the second line. The right box is white and contains the text 'v8::internal::wasm' on the first line and '::void' on the second line. A dark blue arrow points from the right side of the gray box to the left side of the white box.
