

v8::internal::ParseInfo  
::set\_character\_stream

```
graph LR; A["v8::internal::ParseInfo::set_character_stream"] --> B["v8::internal::ParseInfo::character_stream"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'v8::internal::ParseInfo' on the first line and '::set\_character\_stream' on the second line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'v8::internal::ParseInfo' on the first line and '::character\_stream' on the second line.
