

v8::internal::JSDateTime
Format::set_time_style

```
graph LR; A["v8::internal::JSDateTime  
Format::set_time_style"] --> B["v8::internal::JSDateTime  
Format::time_style"]
```

A diagram showing a call from the `set_time_style` method to the `time_style` property. The left box is shaded gray and the right box is white. A blue arrow points from the left box to the right box.
