

```
v8::internal::anonymous  
_namespace{context-serializer  
::cc}::SanitizeNativeContextScope  
::SanitizeNativeContextScope
```

A diagram illustrating a function call. On the left, a white rectangular box contains the text 'v8::internal::anonymous _namespace{context-serializer ::cc}::SanitizeNativeContextScope ::SanitizeNativeContextScope'. A blue arrow points from the right side of this box to the left side of a gray rectangular box on the right. The gray box contains the text 'v8::internal::MicrotaskQueue ::HasMicrotasksSuppressions'.

```
v8::internal::MicrotaskQueue  
::HasMicrotasksSuppressions
```
