

v8::internal::maglev
::MaybeReduceResult

```
graph BT; A["v8::internal::maglev::ReduceResult"] --> B["v8::internal::maglev::MaybeReduceResult"]
```

A diagram showing a vertical relationship between two classes. A blue arrow points upwards from the bottom box to the top box. The top box is shaded gray and contains the text 'v8::internal::maglev' and '::MaybeReduceResult'. The bottom box is white and contains the text 'v8::internal::maglev' and '::ReduceResult'.
