

v8::internal::CpuProfiler
::CollectSample

```
graph LR; A[v8::internal::CpuProfiler::CollectSample] --> B[v8::internal::CpuProfiler::isolate]
```

A diagram showing a call from a function to an object. On the left, a gray rectangular box contains the text 'v8::internal::CpuProfiler' on the first line and '::CollectSample' on the second line. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'v8::internal::CpuProfiler' on the first line and '::isolate' on the second line. Both boxes have a thin black border.
