

v8::PageAllocator::  
SharedMemory

```
graph BT; A[v8::base::SharedMemory] --> B[v8::PageAllocator::SharedMemory]
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a white box with a black border containing the text 'v8::base::SharedMemory'. A blue arrow points vertically upwards from the center of this box to the center of a gray box with a black border at the top. The gray box contains the text 'v8::PageAllocator::SharedMemory'.
