

```
v8::internal::RegisterBase  
< Simd128Register, kSimd128After  
  Last >
```

A diagram illustrating inheritance. A blue arrow points upwards from the 'v8::internal::Simd128Register' box to the 'v8::internal::RegisterBase' box, indicating that Simd128Register inherits from RegisterBase.

```
v8::internal::Simd128Register
```
