

leb-helper.h

```
graph TD; A[leb-helper.h] --> B[cstddef]; A --> C[cstdint];
```

A diagram illustrating the relationship between the `leb-helper.h` header file and two other header files, `cstddef` and `cstdint`. The `leb-helper.h` box is at the top, with two blue arrows pointing down to the `cstddef` and `cstdint` boxes below it.

cstddef

cstdint
