

```
v8::internal::maglev  
::MaglevGraphBuilder  
::BuildInlinedAllocationForCons  
String
```

A diagram showing a call from `MaglevGraphBuilder::BuildInlinedAllocationForCons` to `VirtualObject::VirtualCons`. A blue arrow points from the left box to the right box.

```
v8::internal::maglev  
::VirtualObject::VirtualCons  
String::second
```
