A diagram showing two rectangular boxes. The top box is white with a black border and contains the text "v8::internal::wasm" on the first line and "::Decoder" on the second line. The bottom box is gray with a black border and contains the text "v8::internal::wasm" on the first line and "::ModuleDecoderImpl" on the second line. A blue arrow points vertically from the top center of the bottom box to the bottom center of the top box, indicating an inheritance or specialization relationship.
