

v8::internal::StartupDeserializer
::LogNewMapEvents

```
graph LR; A["v8::internal::StartupDeserializer  
::LogNewMapEvents"] --> B["v8::internal::Deserializer  
< Isolate >::isolate"]
```

A diagram showing a call from the `v8::internal::StartupDeserializer::LogNewMapEvents` function to the `v8::internal::Deserializer< Isolate >::isolate` function. The call is represented by a blue arrow pointing from the left box to the right box.

v8::internal::Deserializer
< Isolate >::isolate
