

```
v8::internal::torque  
::anonymous_namespace  
{instance-type-generator  
::cc}::SolveInstanceTypeConstraints
```

A diagram illustrating a transformation. On the left, a white rectangular box contains the text 'v8::internal::torque', '::anonymous_namespace', '{instance-type-generator', and '::cc}::SolveInstanceTypeConstraints'. A blue arrow points from the right side of this box to the right side of a gray rectangular box on the right. The gray box contains the text 'v8::internal::torque', '::anonymous_namespace', '{instance-type-generator', and '::cc}::SelectOwnValues'.

```
v8::internal::torque  
::anonymous_namespace  
{instance-type-generator  
::cc}::SelectOwnValues
```
