

v8::internal::ValidateCallbackInfo

```
graph LR; A[v8::internal::ValidateCallbackInfo] --> B[v8::internal::ValidatePropertyCallbackInfo]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'v8::internal::ValidateCallbackInfo'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'v8::internal::ValidatePropertyCallbackInfo' on two lines.
