A diagram showing a call from a compiler namespace to a BitField::decode method. The left box is shaded gray and contains the text: v8::internal::compiler, ::anonymous_namespace, {code-generator-arm64::, cc}::RecordTrapInfoIfNeeded. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text: v8::base::BitField, ::decode.
