

```
v8::internal::FullMaybeObject  
Slot::store
```

A diagram consisting of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is shaded gray and contains the text 'v8::internal::FullMaybeObject' and 'Slot::store'. The right box is white and contains the text 'v8::internal::SlotBase', '< FullMaybeObjectSlot,', 'Address, kSystemPointerSize', and '>::location'.

```
v8::internal::SlotBase  
< FullMaybeObjectSlot,  
Address, kSystemPointerSize  
>::location
```
