

v8::internal::Allocation  
Site::IncrementMementoFoundCount

```
graph LR; A["v8::internal::Allocation  
Site::IncrementMementoFoundCount"] --> B["v8::internal::Allocation  
Site::memento_found_count"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from left to right. The left box is white with a black border and contains the text 'v8::internal::Allocation' on the first line and 'Site::IncrementMementoFoundCount' on the second line. The right box is gray with a black border and contains the text 'v8::internal::Allocation' on the first line and 'Site::memento\_found\_count' on the second line. A blue arrow points from the right side of the left box to the left side of the right box.
