

v8::internal::maglev  
::BasicBlock::set\_control\_node

```
graph LR; A["v8::internal::maglev  
::BasicBlock::set_control_node"] --> B["v8::internal::maglev  
::BasicBlock::control_node"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'v8::internal::maglev' on the first line and '::BasicBlock::set\_control\_node' on the second line. The right box is white and contains the text 'v8::internal::maglev' on the first line and '::BasicBlock::control\_node' on the second line. A dark blue arrow points from the right side of the left box to the left side of the right box.
