

```
v8::internal::anonymous  
_namespace{register-configuration  
::cc}::get_num_allocatable_double  
_registers
```

A diagram illustrating a function call. On the left, a grey rectangular box contains the text 'v8::internal::anonymous \_namespace{register-configuration ::cc}::get\_num\_allocatable\_double \_registers'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'v8::internal::CpuFeatures ::IsSupported'.

```
v8::internal::CpuFeatures  
::IsSupported
```
