

v8::internal::MarkingVisitor
Base::VisitFixedArrayWithProgress
Tracker

```
graph LR; A["v8::internal::MarkingVisitor  
Base::VisitFixedArrayWithProgress  
Tracker"] --> B["v8::internal::FixedArray  
::BodyDescriptor::SizeOf"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'v8::internal::MarkingVisitor', 'Base::VisitFixedArrayWithProgress', and 'Tracker' on three lines. The right box is gray with a black border and contains the text 'v8::internal::FixedArray' and '::BodyDescriptor::SizeOf' on two lines.
