

v8::internal::HistogramResetter
::VisitHistogram

```
graph LR; A[v8::internal::HistogramResetter::VisitHistogram] --> B[v8::internal::Histogram::Reset]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'v8::internal::HistogramResetter' on the top line and '::VisitHistogram' on the bottom line. The right box is white with a black border and contains the text 'v8::internal::Histogram' on the top line and '::Reset' on the bottom line. A dark blue arrow points from the right side of the left box to the left side of the right box.
