

```
v8::internal::wasm  
::LiftoffAssembler::  
emit_i8x16_relaxed_swizzle
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'v8::internal::wasm', '::LiftoffAssembler::', and 'emit_i8x16_relaxed_swizzle'. The right box is gray with a black border and contains the text 'v8::internal::wasm', '::LiftoffAssembler::', and 'emit_i8x16_swizzle'.

```
v8::internal::wasm  
::LiftoffAssembler::  
emit_i8x16_swizzle
```
