

v8::internal::Allocation
Site::set_boilerplate

```
graph LR; A["v8::internal::Allocation  
Site::set_boilerplate"] --> B["mode"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'v8::internal::Allocation' on the first line and 'Site::set_boilerplate' on the second line. The right box is white with a black border and contains the text 'mode'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
