

v8::internal::compiler
::turbohaft::get_zone

```
graph LR; A["v8::internal::compiler  
::turbohaft::get_zone"] --> B["graph"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'v8::internal::compiler' on the first line and '::turbohaft::get_zone' on the second line. The right box is white with a black border and contains the text 'graph'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
