The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders. The top box contains the text 'v8::internal::compiler' followed by '::operator<<' on the next line. The bottom box contains 'v8::internal::compiler' followed by '::SourcePositionTable' and '::PrintJson' on the next two lines. On the right, there is a single gray box with a black border containing the text 'v8::internal::SourcePosition' followed by '::PrintJson' on the next line. Two blue arrows point from the right side of the top-left box to the left side of the gray box, and from the right side of the bottom-left box to the left side of the gray box.
