

v8::Worker::PostMessage

```
graph LR; A[v8::Worker::PostMessage] --> B[v8::Worker::is_running]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'v8::Worker::PostMessage'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white and contains the text 'v8::Worker::is\_running'.

v8::Worker::is\_running
