

v8::internal::torque
::ParseResultIterator
::NextAs

```
graph LR; A["v8::internal::torque  
::ParseResultIterator  
::NextAs"] --> B["v8::internal::torque  
::ParseResultIterator::Next"]
```

A diagram showing a call from the `NextAs` method to the `Next` method. A blue arrow points from the left box to the right box.

v8::internal::torque
::ParseResultIterator::Next
