

v8::internal::maglev  
::VirtualObjectList::  
FindAllocatedWith

```
graph LR; A["v8::internal::maglev  
::VirtualObjectList::  
FindAllocatedWith"] --> B["v8::internal::maglev  
::VirtualObject::allocation"]
```

A diagram showing a call from the `FindAllocatedWith` method of `v8::internal::maglev::VirtualObjectList` to the `allocation` method of `v8::internal::maglev::VirtualObject`. The call is represented by a blue arrow pointing from the left box to the right box.
