

```
v8::internal::wasm  
::anonymous_namespace  
{liftoff-compiler::cc}  
::LiftoffCompiler::TierupCheck  
OnTailCall
```

A diagram consisting of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is shaded gray and contains C++ code. The right box is white and contains a reference to a WasmFullDecoder position.

```
v8::internal::wasm  
::WasmFullDecoder::position
```
