The diagram illustrates a mapping or transformation. On the left, there are two white rectangular boxes. The top box contains the text 'v8::internal::Parser::CollapseNaryExpression'. The bottom box contains the text 'v8::internal::Parser::ShortcutLiteralBinaryExpression'. On the right, there is a gray rectangular box containing the text 'v8::internal::Parser::ShortcutStringLiteralAppend Expression'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating a relationship or flow from the left-hand expressions to the right-hand expression.
