

wasm::anonymous_namespace
{c-api::cc}::GetInstance

```
graph LR; A["wasm::anonymous_namespace  
{c-api::cc}::GetInstance"] --> B["store"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'wasm::anonymous_namespace' on the first line and '{c-api::cc}::GetInstance' on the second line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'store'.
