

/mnt/V8SourceCode/src  
/base/numerics/ranges.h

```
graph TD; A["/mnt/V8SourceCode/src  
/base/numerics/ranges.h"] --> B[cmath]; A --> C[type_traits];
```

The diagram illustrates the include relationships for the file `/mnt/V8SourceCode/src/base/numerics/ranges.h`. Two blue arrows originate from the bottom of the top box and point to the boxes labeled `cmath` and `type_traits`, indicating that `ranges.h` includes these two headers.

`cmath`

`type_traits`
