

v8::internal::compiler  
::SparseInputMask::Dense

```
graph LR; A["v8::internal::compiler  
::SparseInputMask::Dense"] --> B["v8::internal::compiler  
::SparseInputMask::SparseInputMask"]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box has a light gray background and contains the text 'v8::internal::compiler' on the first line and '::SparseInputMask::Dense' on the second line. The right box has a white background and contains the text 'v8::internal::compiler' on the first line and '::SparseInputMask::SparseInputMask' on the second line. The arrow is a solid blue line with a triangular arrowhead pointing towards the right box.
