

```
cppgc::internal::anonymous  
_namespace{sweeper::cc}  
::PrepareForSweepVisitor::Run
```

A diagram consisting of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains C++ code. The right box is white and contains another line of C++ code. The arrow points from the left box to the right box, indicating a function call or dependency.

```
cppgc::internal::RawHeap  
::size
```
