

```
v8::internal::compiler  
::turbohaft::WordType  
::AllocateOnHeap
```

A diagram showing a call from the `AllocateOnHeap` method to the `_to_high_low` method. A blue arrow points from the `AllocateOnHeap` text in the left box to the `_to_high_low` text in the right box.

```
v8::internal::compiler  
::turbohaft::anonymous  
_namespace{types::cc}::uint64  
_to_high_low
```
