

v8::internal::Oddball
::set_type_of

```
graph LR; A["v8::internal::Oddball::set_type_of"] --> B["mode"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'v8::internal::Oddball' on the top line and '::set_type_of' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'mode'.
