v8::internal::JSSegments  
::GranularityAsString

v8::internal::JSSegmenter  
::GetGranularityString

```
graph LR; A[v8::internal::JSIterator::GranularityAsString] --> D[v8::internal::JSSegmenter::GetGranularityString]; B[v8::internal::JSSegmenter::GranularityAsString] --> D; C[v8::internal::JSSegments::GranularityAsString] --> D;
```

The diagram illustrates a mapping or inheritance relationship. Three boxes on the left, each containing a V8 internal identifier and a method name, have arrows pointing to a single box on the right. The box on the right also contains a V8 internal identifier and a method name. The boxes on the left are white with black borders, while the box on the right is gray with a black border. The arrows are blue.
