

v8::internal::Block
::set_scope

```
graph LR; A["v8::internal::Block::set_scope"] --> B["v8::internal::Block::scope"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'v8::internal::Block' on the top line and '::set_scope' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'v8::internal::Block' on the top line and '::scope' on the bottom line.
