

v8::CppHeap::EnableDetached
GarbageCollectionsForTesting

```
graph LR; A[v8::CppHeap::EnableDetachedGarbageCollectionsForTesting] --> B[v8::internal::CppHeap::EnableDetachedGarbageCollectionsForTesting]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from left to right. The left box is white with a black border and contains the text 'v8::CppHeap::EnableDetachedGarbageCollectionsForTesting'. The right box is gray with a black border and contains the text 'v8::internal::CppHeap::EnableDetachedGarbageCollectionsForTesting'. The arrow is dark blue.
