

v8::internal::compiler  
::AllocationBuilder::common

```
graph LR; A[v8::internal::compiler::AllocationBuilder::common] --> B[v8::internal::compiler::MachineGraph::common]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from left to right. The left box has a light gray background and contains the text 'v8::internal::compiler' on the first line and '::AllocationBuilder::common' on the second line. The right box has a white background and contains the text 'v8::internal::compiler' on the first line and '::MachineGraph::common' on the second line. A dark blue arrow points from the right side of the left box to the left side of the right box.
