The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'v8::internal::compiler' followed by '::JSBinopReduction::common' on the next line. The bottom box contains 'v8::internal::compiler' followed by '::JSBinopReduction::isolate' on the next line. On the right, there is a single box containing 'v8::internal::compiler' followed by '::JSBinopReduction::jsgraph' on the next line. Two blue arrows point from the right side of the left boxes to the left side of the right box. The right box has a light gray background, while the left boxes have a white background.
