

v8::internal::Representation::Smi

```
graph LR; A[v8::internal::Representation::Smi] --> B[v8::internal::Representation::Representation]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'v8::internal::Representation::Smi'. The right box is white and contains the text 'v8::internal::Representation::Representation'. A blue arrow points from the right side of the left box to the left side of the right box.
