The diagram illustrates a mapping or inheritance relationship. On the left, two white rectangular boxes represent source functions: 'v8::internal::PlatformEmbedded FileWriterAIX::DeclareFunctionBegin' (top) and 'v8::internal::PlatformEmbedded FileWriterAIX::DeclareUint32' (bottom). On the right, a gray rectangular box represents the target function: 'v8::internal::PlatformEmbedded FileWriterAIX::DeclareSymbolGlobal'. Two blue arrows point from the right side of each source box to the left side of the target box, indicating that both source functions are associated with or map to the target function.
