The diagram illustrates a mapping from two source functions to a single target function. On the left, there are two white rectangular boxes. The top box contains the text 'v8::internal::EnterSandbox' followed by 'Scope::EnterSandboxScope' on a new line. The bottom box contains 'v8::internal::ExitSandbox' followed by 'Scope::~~ExitSandboxScope' on a new line. Blue arrows point from the right side of each of these boxes to a single gray rectangular box on the right. This gray box contains the text 'v8::internal::EnterSandbox'.
