

```
v8::internal::compiler  
::WasmLoadElimination  
  ::UpdateState
```

A diagram showing a call from the `UpdateState` method to the `Equals` method. A blue arrow points from the `UpdateState` box on the left to the `Equals` box on the right.

```
v8::internal::compiler  
::WasmLoadElimination  
  ::AbstractState::Equals
```
